Private Rows on Audacious & Phoenix

If any KYC members would like to set up a row in Audacious or Phoenix for two to four people, including kids, please let Mark or Carol know and they'll see how it can work.

Call 667 6715 or email BlueHillCommunityRowing@gmail.com.

It can be an easy row or a workout for a birthday or anniversary or just an introduction to crew rowing. No experience is necessary. Audacious will have a coxswain and one or two experienced rowers if necessary.

Hamilton Marine Order Service located in the Ship's Store at KYC.

This is a service offered to all members.

How it works:

Place your order in the store before 3:00 pm and the item will arrive around 9:00 am the next business day, *as long as it is in stock*. All orders would need to be placed through the store. The store is located behind the clubhouse. Kelly is happy to do this via email (followed up by a call), phone, or in person. There is a Hamilton catalog in the store if needed.

The items do not cost the member more than what the parts are priced at in the catalog. There is no surcharge for the delivery from Hamilton, as they are giving the club a small discount for having one ordering location. It makes it easier for Hamilton as well as convenient for our Club.

The Hamilton order will be placed and once arrived, you can charge it to your account or pay by credit card, apple pay or google pay.
