Note from the Commodore

Dear membership,

Although things remain quiet around the clubhouse, I have seen a few more boats on their moorings in the inner harbor and Chris Guyette did a fantastic job running the Gitana and Danforth Cups.

Spectators come one come all; hop in your boat with your family or 'COVID pod' and watch The True Blue Spencer Evans Regatta. The first start will be at 1400 this Sunday.

policy about firearms on the property. Following discussion council voted in favor of the following policy.

‘Guns are strictly forbidden on Yacht Club property, with the following two exceptions:

1. Guns that are associated with the Race Committee.
2. Guns that belong to a member, who is transporting them to or from a vessel.’

We have not had and do not anticipate having any trouble with firearms.

If you are looking to enhance your wardrobe with a fashionable KYC mask please let me know. After spending about 6 hours making the first one, I enlisted a professional for the next 49. There are two options, a light blue denim background with an embroidered horizontal burgee or a vertical burgee. This is a limited-edition item with a \$25.00 ticket price + tax and shipping.

I want to thank everyone for doing a great job following our COVID-19 protocols at the clubhouse.

Each individual's cooperation helps keep our staff and community safer. Thank you to

With gratitude, Ann
