

CLUB NEWS

Fond memories for our members who will not be able to join us this year.
To see more of what we are doing this summer please visit our [website](#).

Hurray for summer! What a beautiful week in Blue Hill. The Clubhouse is open and certainly more quiet than usual. Next week the sailing staff arrive for set-up week, and things will get a little livelier.

Please join me in warmly welcoming Kelly Roos, our Office Manager. Kelly will be working from her home in Bar Harbor this summer. She is off to a great start, updating the website, sending out this newsletter, and on Monday we will begin sorting through MANY boxes of KYC records. Chris and our fantastic dock staff have been busy getting boats painted and in the water.

This Saturday we have a KYC Council meeting and on Sunday we have our first Pursuit Race. Governor Mills continues to update the Maine COVID-19 Response, which I continue to monitor. Recently she issued information which will be particularly helpful for summer residents and visitors. Click [HERE](#) to read.

Happy Birthday Kollegewidwok, we are 100 years old, and we all look so good, especially our new logo celebrating our longevity. Big thanks to Jennifer Panepinto and Martha Coolidge for designing the 100th year logos.

I look forward to seeing many of you from a safe distance, and hope that you each remain healthy and safe.

With gratitude, Ann

KYC Manager

As the season begins and boats are arriving, I would encourage everyone to contact Dave Danielson, Jr. well ahead of time in order to have your mooring set up prior to your arrival. As you all know, this is an extremely busy time of the year for Dave and although he is very accommodating and works very hard, he is not a miracle worker (except to his kids, of course). So please plan ahead.

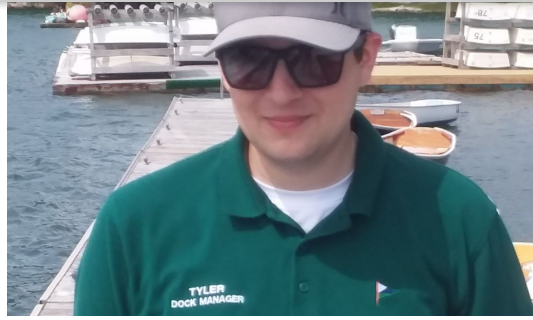

I would also encourage everyone to review the latest rules and protocols set out by the Commodore. She has worked very hard on this issue and I and the Dock Staff are trying diligently to uphold the spirit of these regulations and keep KYC a safe place for everyone.

The Dock Staff this year is made up of two returning members of previous dock staffs. Tyler Chapman and Curran Granger have been with us for several years now and we are pleased to have them back. Tyler, in fact, is returning this year as the Dock Manager. In addition, we have brought on board three new members of the staff. Brandon Aponte is a resident of Blue Hill and is heading off to Stanford University in the fall. Lilli Frank is entering her senior year at Ellsworth High School. Gabe Hall will be a junior at George Stevens Academy. All three are alumni of KSEA so are not unfamiliar with the

We are looking forward to a good summer, albeit a somewhat restricted one, and remind everyone to watch their speed in the harbor. You are responsible for your wake.

Stay safe! Chris Guyette

Power Boaters

This year we have scheduled two mid-week cruises (July 21–23 and August 18–20) open to all power boaters who might like spending an overnight or two with fellow KYC'ers, seeing some familiar and perhaps some new anchorages within cruising range of Blue Hill. I am open to any and all suggestions as to where we might go and if you have interest in coming with us. Please contact: Denny Bacon @ dennybacon@hotmail.com or call 206–909–3597.

Hope you will join us!

KSEA

We welcome the sailing staff back to KSEA on June 29th, and look forward to the start of the first session of sailing school on July 6th

RACES

CLUB STORE

The physical store will not be opening this year. We will be launching an online store in the next few days and will let you know as soon as it is up and running.

Through the online store you will be able to order some of your favorites with either the KYC burgee or the new 100 Year Anniversary logo.

Also we would like to continue with the Sail Donation Program to benefit KSEA. If you have any old sails hanging around, please consider donating them to us. We in turn will give them to Seabags and get custom KYC Seabags to sell. This is a great no-fuss fundraiser.
